

Did you know...March 5, 2012

1...that the KO shall insert the FAR Clause 52.245-1, Government Property, in contracts or modifications awarded under FAR Part 12 procedures where Government property that exceeds the simplified acquisition threshold (SAT) is furnished or where the contractor is directed to acquire property for use under the contract that is titled in the Government? See FAR 45.107(a)(iii).

2...that purchase orders for property repair need not include a Government property clause when the acquisition cost of Government property to be repaired does not exceed the SAT, unless other Government property (not for repair) is provided? See FAR 45.107(d) and FAR 2.101.

3...that the paragraphs in FAR Clause 52.212-4 entitled "Termination for the Government's Convenience" and "Termination for Cause" contain concepts which differ from those contained in the termination clauses prescribed in Part 49. Consequently, the requirements of Part 49 do not apply when terminating contracts for commercial items and contracting officers shall follow the procedures in FAR 12.403. Contracting officers may continue to use Part 49 as guidance to the extent that Part 49 does not conflict with FAR 12.403 and the language of the termination paragraphs in 52.212-4? See FAR 12.403.
