

**Did you know . . . on section 808 of NDAA FY12, AT/OPSEC Coversheet & news
Sep 24, 2012**

1...that we received guidance to implement section 808 of the National Defense Authorization Act (NDAA) for FY 12, P.L. 112-81 by means of the attached DPAP class deviation 2012-00012? The KO must use the attached ECC Checklist (Modified for the 409th CSB) to determine whether the section applies and include it in the contract file. Note that this is for new service contracts with an estimated annual value greater than \$10M in either FY 12 or FY 13. It does not apply to the exercise of options. A Flash Notice on this matter was sent by this office on Sep 18, 2012.

2...that, effective 1 July 2012, the Anti-terrorism/Operational Security (AT/OPSEC) coversheet is required for all new requirements, exercising of options, or when adding work to an effort? The Coversheet shall be used for service contracts at any value and contracts for supplies over the SAT. A Flash Notice on this matter was sent by this office on Aug 2, 2012 and a clarification on Sep 17, 2012.

3...that USAREUR has a portal for completing the AT/OPSEC coversheet and units must go through this portal in order to obtain AT and OPSEC POC review. The AT/OPSEC coversheet when provided with the USAREUR requirements package will be in an electronic version (doesn't look like the AT/OPSEC coversheet included in the desk guide but has the same information), and the AT and OPSEC reviewer signatures are generated through the CAC card and are digital signatures. Customers may visit ATEP website for more information and guidance about the AT/OPSEC coversheet at <https://www.us.army.mil/suite/page/605757>.

4...that PARC Review now has a distribution list? Please, send all requests for PARC review and approval or the Special Competition Advocate's approval (e.g.: J&A's) to USARMY Kaiserslautern 409 Contr Spt Bde List 409th Parc Review, usarmy.kaiserslautern.409-contr-spt-bde.list.409th-parc-review@mail.mil for managing and staffing.
